BACK IN Time

Birds have been
using the same
flyways for
thousands
of years.

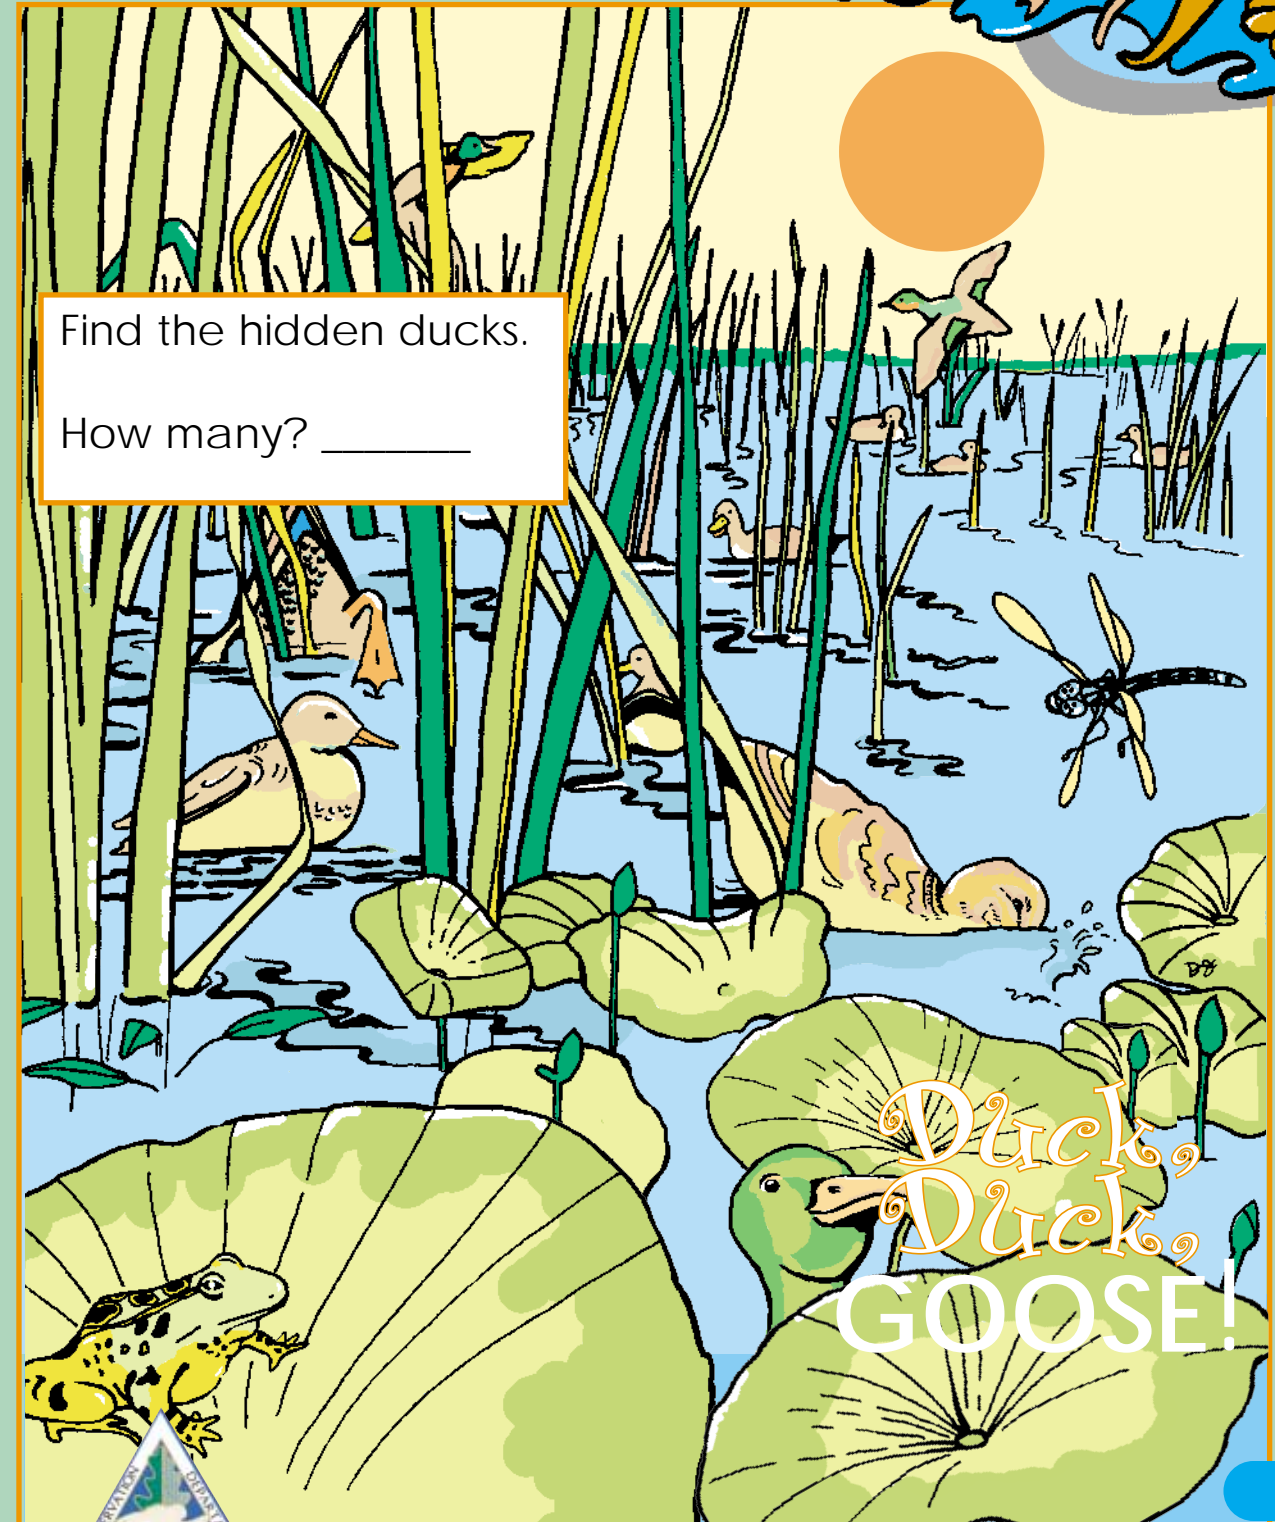

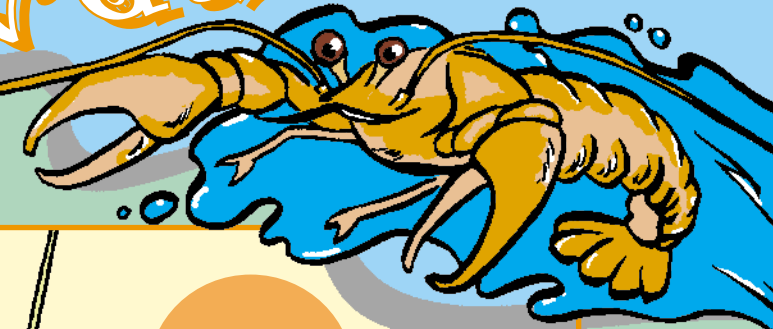

1. Select one of these birds:
Hummingbird wintering in Mexico
Barn Swallow wintering in Argentina
2. Create a picture of Mexico or Argentina with
crayons or markers on the blank side of the postcard.
3. On the other side,
write a note to you from
the bird you chose.

WILD Facts

Purple Martins don't stop to eat when
migrating. They catch bugs as they go!
